

Dear Sir/Madame:

My phone is an instrument that I choose to have in my home but by doing so it does not mean that I should be at the mercy of anyone who chooses to call me at their will WITH NO CONSENT ON MY PART.

MY RIGHT TO SAY NO to telemarketing is valid and I IN NO WAY want the Wisconsin "No Call List" watered down to allow for sales calls THAT I DO NOT DESIRE to intrude on my life and time.

Respectfully,

Lois Temple
